

Erasmus project 2017 bis 2019

Reach out and lend a helping
hand Humanity has no borders

Reach out and lend a helping
hand Humanity has no borders

We See

the masses of people fleeing their homelands because of hunger, war and persecution.

We Care

about the overwhelming hardships they have faced and are still facing while beginning a new life in a new country.

We Can

do something to ease their way and help them on their journey making not only their lives better, but ours as well.
